## About changes in test time due to foreign language (English) test implementation

Depending on the situation of the spread of the Novel Coronavirus (COVID-19) Pandemic, the TOEFL-iBT and TOEIC tests were canceled, so a foreign language writing test (English) will be conducted as a remedy for examinees who cannot submit scores within the application period.

Please note that the date and time of the written exam will be changed as follows.

Examinees who submit their scores cannot take the foreign language writing test (English).

〈before the change〉

### 8. Examinations

(1) Written examinations

Type	Date	Time
Subjects in Major	August 24	10:00-13:00

〈after the change〉
